 5. General members meeting
 - 5.1. Feedback from Interim committee
 - 5.2. Questions and answers
 - 5.3. **Election of CEASA WC committee**

Visit our Website: www.ceasa-wc.org.za

Election procedure:

The current CEASA Western Cape Committee has come to the end of the agreed six month interim period and it is time to elect the first formal CEASA Western Cape Committee to act for the next two years. The constitution of CEASA states that only current full members can take part in the election process and be available for nomination.

Please receive attached herewith the current list of CEASA Western Cape members. We would like all members on this list to use the attached nomination form to nominate three CEASA members that you would like to be up for election for the CEASA Western Cape Committee.

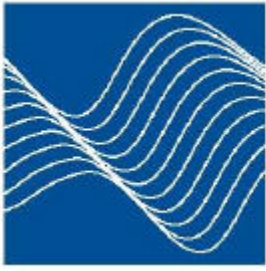

Nominations will close Monday 09 June 2003 at 10:00.

All nominees will be contacted to confirm availability for election. After the presentation during the general CEASA Western Cape meeting of 10 June 2003, a ballot document will be handed out with the names of all available nominees. CEASA members will then be asked to vote and the seven Committee members will be announced by using two independent visitors to count, etc. The committee members elected will then immediately take over the running of the CEASA Western Cape Branch. During the election process all non-members and visitors attending are welcome to start with the refreshments and view the process.

At this point I would like to thank all members of the interim committee for their time and effort. The CEASA Western Cape branch is up and running and active, ready to be handed over to the new committee.

Please send your attendance reply to james.herbert@mediclinic.co.za or fax +27 21 886 6684 by 6 June 2003. Where possible, please forward your questions to james.herbert@mediclinic.co.za to allow us to prepare if needed. Snacks and drinks will be served after the meeting. These are sponsored by TECMED (PTY) LTD. Prospective members are welcome to attend.
